

Physique America

appoints

Tim Estell

Chairman/Director of Virginia

Tim Estell, is pleased to announce that he has accepted the position of Chairman/Director of the State of Virginia. Tim has recently been a co-promoter of NPC/Pro League competitions in Maryland. “I am looking forward to the challenge of spearheading the organization in Virginia”

“Due to the recent disturbing and distressing articles in the Washington Post that has uncovered troubling allegations about the NPC/Pro League, I could no longer see myself affiliated with such an organization. I have 10 years of contest experience at regional and national level as well as 8 years assisting and promoting shows with Richard Siegelman, the newly appointed Physique America Maryland Chairman/Director. My first order of business in Virginia is to revive the iconic Jan Tana Classic” states Tim.

Physique America is thrilled and elated to have Mr. Estell bring his youthful vigor and energy to our Federation. To compete in Physique America Virginia events, contact Tim Estell at ironmantce91@gmail.com or at 443-694-7311. Tim chose morals over money!
