

JUSTIN BOHANNAN
appointed Chairman of Texas & Oklahoma
CHANAN SIGLOCK
named IFBB Physique America General Secretary

The unprecedented, extraordinary and rapid growth of IFBB Physique America has moved forward with the expansion of the Executive Committee and the appointment of a new state chairman. Chanan Siglock, former Chairperson of Texas, has been promoted to the position of General Secretary and member of the upper echelon of the IFBB Physique America Executive Committee. Justin Bohannon will not only succeed Chanan as Chairman of Texas, but also accept the additional position as Chairman of Oklahoma.

Justin Bohannon is an Army Vet, having spent 6 years as an Airborne Infantryman in the 101st ABN Division which included 2 deployments to Iraq. He finished up his 10 year enlistment as a recruiter and drill instructor. "Taking over as Chairman of Texas and Oklahoma is an incredible challenge, but I will attack it as I have every other encounter in life, with veracity and ferocity" avows Bohannon. Justin has already proved his fierce promotional skills when he promoted the successful MAVS Classic in Dallas in March on 9 weeks' notice which was also the first ever event under the IFBB Physique America banner.

Chanan has just returned from the Arnold Classic Brazil where she made her debut in the IFBB Elite Pro ranks which culminated with a top ten finish in a very competitive Bikini Division. She will now extend her proficiency, expertise and knowledge to a national executive level.

"These momentous, significant appointments are substantial blocks in the foundation of IFBBPA. Each day, each week, we cultivate a never before seen innovative Federation" asserts IFBBPA CEO/President Wayne S. DeMilia.
